

NATURE BRACELET

Aboriginal and Torres Strait Islander women spend many hours gathering natural materials such as seeds, nuts, shells and flowers from the bush to make traditional jewellery.

WHAT YOU NEED

- Masking tape
- Small seeds, nuts and shells
- Small fern leaves
- Small flower leaves
- Small flowers
- Pot pourri
- Flat container to put the materials into

Cut up the leaves and flowers into small pieces.

Mix them all around with the other natural materials.

With the masking tape, measure around the child's wrist and cut a piece making it a little larger to fit over hand. The tape needs to be sticky side up.

Children can now decorate their tape with the natural materials.

Encourage children to pick up small pieces at a time and place on sticky side of tape.

When complete the children will have a lovely natural bracelet.
