

Christmas Character Candy Pots

Supplies Needed:

- Mini flowerpots
- Paint
- Paint Brushes
- Gogly eyes
- Pipe Cleaner
- Felt
- Ribbon or other embellishments
- Hot glue or craft glue
- Candy

Instructions:

Start by painting the pot and then letting it dry.

Add embellishments. If you are using hot glue, you'll want to help the kids for this part.

You could paint felt to get the right color for the Elf ears. You could use cotton balls or fur for Santa's beard if you want.

Then fill with candy and enjoy this Christmas kid's craft!
